## **Alex Lee** MD

**The Chinese University of Hong Kong  
Hong Kong**

---

Dr. Lee is an Assistant Professor and Cardiologist in the Department of Medicine and Therapeutics at the Chinese University of Hong Kong. He holds an MBChB, an MD, and a FRCP (Edinburg). After completion of his cardiology fellowship in Hong Kong, he went on for specialized training in advanced echocardiography at the Mayo Clinic, Rochester, USA. He is currently the Director of the Echo Lab at the Prince of Wales Hospital. His main research fields are cardiac imaging, valvular heart disease, structural heart intervention and heart failure.

Prof Lee has published over 140 articles in peer-reviewed journals. He is the editor and reviewer of over 15 peer-reviewed medical journals, and the coordinator of the Echocardiography Chapter of the Hong Kong College of Cardiology. He has been awarded the First-Class Award in Technology Advancement from the State Ministry of Education of China and the Richard Yu Lectureship from the Hong Kong College of Physicians.
