Nisenbaum-Point-of-Care Ultrasound- A Boon to Radiology

Nisenbaum-Ultrasound Integration into Medical School Curriculum

Nisenbaum-Ultrasound of the Acute Scrotum

Harvey L. Nisenbaum, M.D., FACR, FAIUM, FSRU is Chairman, Department of Medical Imaging at Penn Presbyterian Medical Center in Philadelphia, PA, and Associate Professor of Radiology at the University of Pennsylvania Perelman School of Medicine.

Prof. Nisenbaum graduated from Tufts University School of Medicine in Boston, MA. After graduation, he completed his internship in surgery at Mt. Sinai Hospital in New York, NY, and his residency in diagnostic radiology at Montefiore Hospital and Medical Center in Bronx, NY. He is certified by the American Board of Radiology

Prof. Nisenbaum has many publications, abstracts, and presentations to his credit. He is a reviewer for a number of medical journals, including the Journal of Ultrasound in Medicine, of which he is also an Associate Editor. He is currently President of the World Federation for Ultrasound in Medicine and Biology (WFUMB) and previously has been President of the American Institute of Ultrasound in Medicine (AIUM) and President of the Pennsylvania Radiological Society.

Prof. Nisenbaum has been the recipient of a number of awards including a Special Dean's Award from the University of Pennsylvania Perelman School of Medicine (PSOM) which recognizes outstanding achievements in medical education by the PSOM faculty members,
