

Masaaki Takeuchi MD, Ph.D

**Department of Laboratory and Transfusion Medicine, University of Occupational and Environmental Health
Japan**

PAST POSTS

Associate Professor, Second Department of Internal Medicine, 2011-2015

Head of Echocardiography Laboratory, 2007-2015

Lecturer, Second Department of Internal Medicine, 2007-2011

Staff Cardiologist, Second Department of Medicine, 1991-1997

—

EDUCATION

MD, University of Occupational and Environmental Health, Kitakyushu, 1979-1985

PhD, Osaka City University, Graduate School of Medicine, 2002-2007

POSTGRADUATE TRAINING

Research Fellow, Department of Cardiology, Tufts Medical Center, 1997-1999

Research Fellow, Section of Cardiology, University of Chicago, 2002-2007 and 2008-2010

PROFESSIONAL AFFILIATIONS

American Heart Association

EuroEcho

Fellow, Japanese College of Cardiology

Fellow, American Society of Echocardiography

Fellow, European Society of Cardiology

Executive board, Japanese Society of Echocardiography

EDITORIAL BOARD

International Journal of Cardiovascular Imaging

Journal of American Society of Echocardiography
Journal of Echocardiography

INVITED SPEAKER

American College of Cardiology
American Heart Association
American Society of Echocardiography
EuroEcho-Imaging
Japanese College of Cardiology
Japanese Circulation Society
Japanese Society of Echocardiography

EXPERTISE

Cardiac magnetic resonance – feature tracking
Cardiac mechanics – chamber quantifications, twist and torsion
Coronary artery imaging
Contrast echocardiography
Diastolic function
Intervendor variability
Speckle-tracking echocardiography
Stress echocardiography
Three-dimensional echocardiography
Valvular heart disease – aortic stenosis

INSTRUCTOR

American Society of Echocardiography Review Course
Japanese Society of Echocardiography Seasonal Lecture Sessions

CONSENSUS DOCUMENT

Current and evolving echocardiographic techniques for the quantitative evaluation of cardiac mechanics: ASE/EAE consensus statement on methodology and indications endorsed by the Japanese Society of Echocardiography.
Eur J Echocardiogr: 2011, 12(3);167-205
