Dr. Wataganara is an Associate Professor in the Division of Maternal Fetal Medicine, Faculty of Medicine Siriraj Hospital, Bangkok, Thailand. He is board certified in both Obstetrics and Gynecology, and Maternal Fetal Medicine. He has a special research interest in non-invasive prenatal genetic diagnosis (Tufts-New England Medical Center, Boston, USA) and fetal interventions. He has over 30 publications related to fetal medicine in international, peer review journals in the past 10 years. Among his several prestigious awards, include an Outstanding Young Investigator Award from CNAPS III Meeting (USA, 2003), and Shan S. Ratnam Young Gynecologist Award from 20th ACOG Meeting (Japan 2007). He is an executive director of Ian Donald Inter-University School of Medical Ultrasound, board member of maternal fetal medicine sub-committee, Asia Oceania Federation of Obstetrics and Gynecology (AOFOG), board member of World Association of Perinatal Medicine (WAPM), and associate fellow of International Association of Perinatal Medicine (IAPM). His Fetal Therapy unit in Bangkok is one of the most active facilities of its kind in Asia.
